Circular No. 13/2026-27
PROJECTS FOR AVISHKAAR – ANNUAL EXHIBITION

Dear Parents

Date: 31.07.2026

We will conduct *Avishkaar* – our Annual Science & Social Science Exhibition on 15.08.2026. *Avishkaar* is conducted for classes I to XII in 4 categories, i.e. classes I & II, classes III to V, classes VI to VIII & classes IX to XII. Project details for I to V have been shared in our Circular 12/2026-27.

Please note the following regarding projects for VI to XII:

1. Students of VI to X have to submit one project each in Science & Social Science, topics of have been shared hereunder.
2. Projects need to be original, innovative, practical and relevant.
3. Purpose of project-making is to develop scientific thinking, research and innovation as well as widen one's knowledge. Parents may help, but students should use ideas of their own.
4. Projects can be made individually or a pair at the maximum.
5. Projects will be judged by a team of expert judges and deserving students will be given awards on Independence Day.
6. Internal Assessment marks for Half-Yearly exam for these subjects will be credited on basis of these projects.
7. Award-winning projects will be entered in various inter-school competitions, depending on the themes.
8. For class XI & XII, each student has to submit 1 project in a subject of their choice. Topics will be shared by their teachers.
9. **Ready-made purchased projects will be summarily rejected.**
10. For any clarity, subject teachers may be contacted.

Topics for classes VI to X:

i. **SCIENCE**

- Waste to Asset
- Zero pollution
- Biochemistry and food science
- AI in diagnostic healthcare

ii. **SOCIAL SCIENCE**

- Globalization in the Ancient World
- Behavioural Changes for Sustainability
- Society and Ethics
- Digitization in Modern Economy
